

The Solution To Your B'nai Mitzvah Project Is Here!

JewishBaseballPlayer.com is extending an invitation to anyone celebrating his or her B'nai Mitzvah to partner with us on their Mitzvah project. This program is one of the simplest and most significant Mitzvah fundraisers available. The program can generate anywhere from \$1,000 to \$10,000 or more for your Project. Not only that, but you will be helping to celebrate the inspiring accomplishments of the Jewish people in professional sports.

The project combines baseball, charities, and Jewish heritage into one amazing experience. Not only will the program generate significant funds, but the B'nai Mitzvah will receive their own priceless memories for choosing this program. They will receive a thank you gift in the form of a reprinted framed piece of art (shown below), a personal phone call from one of the ballplayers, and could have their name permanently inscribed as a donor on a plaque in our Wall of Fame.

How the Program Works

We will reserve one of our individually numbered pieces of Art, which has been originally hand signed by each of the 26 Major League Baseball players depicted. They are licensed and certified authentic by Major League Baseball (verified on MLB.com). The art also contains significant Jewish symbolism embedded throughout the backdrop. Only 100 pieces in this series are available nationwide. The pieces are priced at and have already been selling for \$6,500 and up. **However, for your Mitzvah project you are able to keep all funds above \$5,000 for the artwork.** You will run the coolest raffle ever, while earning thousands of dollars for your cause. We will give you everything you need to be successful, while leaving you lots of free time to concentrate on your Torah portion. (We know we needed all the time we could get to practice ours.) We will create a webpage specifically for your raffle as well as help you create an email blast or social media promotion for you to use. We can even utilize your B'nai Mitzvah invitations to help promote your project if you like.

In addition, we will donate to you all 5 of the extra items listed in the package at bottom, including an invite every year to the purchaser/ballplayers reunion and a personal phone call by a ballplayer to the raffle winner, truly priceless items. The Artwork and 5 extra items make up the Grand Prize. We will also provide 9 consolation prizes to be awarded to other winners.

Here's what you need to do:

- You choose how much to sell the raffle tickets for. Some choose \$25 each and 5 tickets for \$100. Others choose \$50 or \$100 per ticket.
- You use emails, Facebook, Twitter, etc. to let people know of the raffle. Encourage them to forward the information to everyone they can.
- Raffle tickets can be purchased online via your specific web page on our site, or by cash and check directly from you.

Here's what you get:

- You receive periodic email updates from us informing you how much you've earned. **Your cause receives every penny earned once the minimum number of tickets are sold.**
- You receive a framed reprint of the Artwork as a thank you for supporting your cause.
- You receive a personal phone call from one of the players in the Artwork congratulating you on your Mitzvah.

Bonus: Because of your efforts, you will earn an extra \$500 for your organization if anyone sees the artworks and buys one on their own.
