The Event – A Night of Jewish Baseball

Our “Night of Jewish Baseball” Program has been a huge success already, with events in Chicago, Florida, New York, California, Texas and other states across the country. Our project has been the subject of dozens of media outlets including radio, newspaper, and magazines, and is scheduled to be a featured story on TV in the near future. Every event is well publicized and always attended by a full house.

Briefly, the “Night of Jewish Baseball brings together Jewish baseball players/executives, Jewish patrons, and the highly sought after Jewish Baseball Player Artwork, allowing an incredible fan experience of close interaction with Jewish ballplayers. The nights begin with a short cocktail reception of mingling with the players before breaking off into the dinner and main program. The players share stories of the “good old days” and talk about what it meant to be a Jewish ballplayer in the major leagues. We’ll also hear the story behind the creation of the iconic “Jewish Baseball Players” Artwork. Audience participation and questions are encouraged, while all go home with free autographs and commemorative souvenirs. The events always receive rave reviews.

Due to the incredible success of our program, we are now offering partnership opportunities to join us for the remainder of our 2015 Tour, as well as the events being scheduled for 2016.
